11 October 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 11 October 1967

DD/I said that summaries and comments on the two NSC papers-- Food for India and the P. L. 480 Program--are being prepared for the Director.

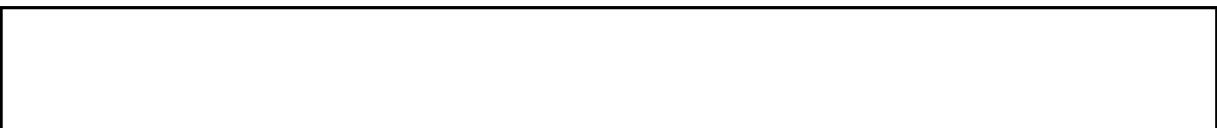

DD/I gave the Director a preliminary assessment of the 4 and 6 October photography over North Vietnam. The Director suggested that the map which the DD/I was using to explain the assessment would be improved by a clearer delineation of the boundaries and features.

DD/I said that he wished to call to the Director's attention the DIA/NPIC study at JCS request on a comparison of the OXCART and SR-71 sensors. DD/S&T noted that this is one of three such studies (the other two involving vulnerability and readiness), all of which are to be completed by 1 December.

Godfrey called attention to a request from Ambassador Goldberg for an Estimate on the Middle East situation by COB today. (See Action 1)

Godfrey noted that the Navy is sending the USS Wood and the USS Harwood into the Black Sea again and that this might involve another bumping match.

Kent said that the security Estimate on Juarez has been completed and will be before USIB tomorrow.

25X1

DD/P said that the [REDACTED] briefing of the JCS had gone very well. The Director added that the same briefing had also impressed the 303 Committee.

Executive Director said that [REDACTED] will be in the office tomorrow.

25X

Executive Director warned the Director of possible publicity in connection with a research contract at Columbia which is, however, unclassified.

Executive Director briefed the Director on the status of negotiations with BOB over funding the RDC program for FY 68.

The Director announced that Admiral Melson will be resigning from the Board of National Estimates Friday next for personal reasons.

The Director reviewed tomorrow's USIB agenda.

ACTIONS:

1. The Director asked the DD/P to make arrangements with Ambassador Goldberg for a twenty-four-hour delay on his deadline for a Middle East study.
